University Affairs

Premier University of Technology has been established for the promotion of the literature, fine arts, science & technology etc. and also for the diffusion of the useful knowledge. It has been started on the basis of the society registration Act 1860 from the Joint Stock Companies & Firms under a department of Ministry of Commerce. Premier University of Technology was registered & accepted by the Government of Bangladesh under society registration Act 1860 from a department of Ministry of Commerce firstly in the name of Premier Institute of Technology bearing registration no. S-678/13 of 1979-1980. As per special resolution on 09.08.1993 it has been changed into Premier University of Technology. This Premier University of Technology is running under society registration Act 1860 from 1993 and courses extended by the special resolution passed on 10-09-1996 and it is not running under University Act 2010. We have decided to start the short courses, diploma courses, under graduate courses, post graduate courses, M.S courses, M.D courses, Ph.D courses in the field of Engineering, General Science, Applied Science, Pure Science, Agricultural Science, Commerce & Management Science, Social Science, Industrial Science, Chemical Science, Medical & Dental Science, Complementary Medicines etc. on regular program or irregular program and six months consist of one semester. Presently temporary campus will be started at 28 Khilkhet Bazar Road, 7 to 11 Floor, Ekota Plaza, Khilkhet, Dhaka & others in different district of Bangladesh. Permanent campus will be set up at Faidabad, Uttara, Dhaka. Only 10% poor & brilliant students will get full free, half free, quarter free from the poor funds. You can collect admission form by paying Tk. 100/- only. Weekly 3 days class on regular programs and no arrangement of classes on irregular programs. Special arrangement of classes on Friday or Saturday. Credit transfer may be arranged in different Institutions of any countries of the world. This prospectus was printed on 01.01.2022 as per society registration Act. N. B: For Irregular programs every two months after three to four days final examinations will be held on for all subjects.
